Bright Star is a sweeping tale of love, regret and redemption wrapped up in a sweet bluegrass musical. Set in the American South, the story moves between the 1920s and 1940s. Performed by the talented Second Year Music Theatre students, it follows the journey of literary editor Alice Murphy as she attempts to discover the truth in her life.

Meet in the upstairs foyer of WAAPA – entry off Bradford Street – where your WCC host will hand out the tickets.
