Meet at the Geoff Gibbs Theatre. Created in the 19th Century, *Hansel and Gretel* is one of the best-loved operas of all time. The folk-like tunes and beautiful duets bring the Brothers Grimm's fairy tale of the lost brother and sister to life. Performed by the WAAPA Classical Voice students and the WAAPA Symphony Orchestra, we can enjoy the story that we all know and love. *You will be advised when tickets are available for collection from Melissa in The Pod.*
