

Shipwrecks Museum - Tour

WEDNESDAY 25 June, 10.30 - 11am

Members: \$15

Non-members: \$20

Venue: Cliff Street, Fremantle

Join fellow members on an escorted tour of the WA Shipwrecks Museum, which is internationally recognised for its contributions to maritime archaeology and shipwreck conservation. Journey through the galleries to learn about WA's treacherous coast, the first European encounters, the riches of marine trade, and one of the deadliest mutinies in known history. *Stay on afterwards to enjoy more of a look-around and join other members for coffee nearby (at own expense).*

Meet in front of the Museum, which is housed inside Fremantle's historic Commissariat buildings.

Parking information: The WA Shipwrecks Museum is located within easy walking distance of Fremantle Train Station. There is a free Fremantle Cat Service that includes both the train station (stop #1) and the Museum (stop #17). Convenient paid parking is available in the Marine Terrace Car Park #2, just a short walk away.
