**Venue: Lapsley Road, Claremont, next to the Lake Claremont Golf Course**

Come along and enjoy an indoor winter evening meal in this popular café with affordable meals and menus that cater to all. We have selected Thursday night as there is a T-Bone and glass of wine special for those who would like it, although you can select any item on the menu. Tee Box also stocks Simmo's Ice cream for those preferring something a little sweeter after dinner! The restaurant is fully licensed, with a wide range of beverages for you to enjoy. *BYO wine is an option, but it does incur a small corkage fee. Drinks, corkage and meals at your own expense.*
